DATE: March 26, 1993

SUBJECT: Registration Form: Receipt of Part A

The September 1992 issue of the CMA Petroleum Additives Product Approval Code of Practice and RSI Bulletin #92-010 state test sponsors must submit Part A of the Engine Test Registration Form to the test laboratory and the CMA Monitoring Agency. A new registration form is being issued to enable RSI to denote the date and time of receipt of Part A.

Part C, which is completed by the CMA Monitoring Agency, is the only change to this form. All information submitted by the test sponsor (Part A) and the test laboratory (Part B) remain the same.

Sponsoring companies must use the enclosed registration form before February 1, 1993.
