Facsimile Number: (210) 341-4038

RSI BULLETIN #R-049

FROM: Daniel C. Ludwig

DATE: August 4, 2004

SUBJECT: Electronic Data Transfer

On July 16, 2004, ACC PAPTG announced their goal of having Test Laboratories send test data to the Monitoring Agency via electronic data transfer. The conversion from current modes of data transfer (Fax, mail, email) to electronic mode will commence on August 1 with a target date of October 1 for full compliance. Please refer to the attached memo from ACC PAPTG.

If test results are submitted via electronic data transfer, RSI does not require a hard copy test report. Please direct all technical inquiries regarding EDT to John Beck at jwbeckrsi@comcast.net or 804-739-9536. Other inquiries should be directed to Kim Herald at kim.herald@registration-systems.com or 210-341-2680.

Attachment: EDT Letter to Labs (July 20 2004_.pdf)

DATE: July 20, 2004

TO: Engine Testing Laboratories

SUBJECT: Electronic Data Transfer

FROM: ACC PAPTG Chair
ACC PAPTG Manager

The American Chemistry Council's (ACC) Product Approval Protocol Task Group (PAPTG) would like all engine testing laboratories who conduct engine tests in accordance with the ACC Product Approval Code of Practice to begin transferring from the current system (fax, regular mail, etc.) to the electronic data transfer system beginning August 1, 2004, but no later than, October 1, 2004.

Information regarding electronic data transfer (EDT) may be found at the ACC Monitoring Agency website (www.registration-systems.com) at [http://www.registration-systems.com/Protected/Manuals/ACC Web Server Users Manual.pdf](http://www.registration-systems.com/Protected/Manuals/ACC%20Web%20Server%20Users%20Manual.pdf). If you do not have the logon ID and password, please contact Kim Herald at kim.herald@registration-systems.com. Your EDT resource contact person is John Beck at jwbeckrsi@comcast.net. When you indicate your readiness to begin transmitting a flat file to the server, please contact him by email to set up ID/passwords for access to the site <https://data-interchange.com/>.

ACC PAPTG and the ACC Monitoring Agency thank you for your individual efforts and commitment to bringing this transition to a successful conclusion. Please contact the PAPTG manager, Doug Anderson (Doug_Anderson@americanchemistry.com) if you have any questions regarding the information contained herein.
