RSI BULLETIN # 92-007

FROM: Daniel C. Ludwig

DATE: August 28, 1992

SUBJECT: Reporting Test Results

RSI Bulletin #92-003, March 23, 1992, stated certain pages of the final test reports must be forwarded to RSI at the completion of registered tests. One of the pages requested for the 1G2 is not the correct page. While most laboratories are submitting the correct page, this bulletin documents the requirement to forward the Operational and Measurement Summary (Fig. 25 (cont)) in place of the previously requested Supplemental Piston Deposit Sheet (Fig. 25 (cont)).
